

**St John XXIII at St. Nicolas de Flue
Parish Administrative Council**

PAC Report for 2018

Name : Michael Wilson

Position : President

- Description of function

Uphold the statues of the parish

Together with the Pastor and the members of the PAC , implement the decisions of the GA

Draw up the agenda and convene the GA

Coordinate the issuance of reports and minutes for the GA

Administer the financial and management matters of the parish

- Accomplishments

Established internal governance structures providing autonomy to the parish office

Convened 7 PAC meetings and subcommittee meetings geared towards the continued smooth administration of the parish

- Challenges

Promote a better sense of volunteer service to the parish by the members of our association

Increase the spirit of contributing resources to the parish

- Targets for 2018/19

Continue to build upon the sense of increasing spirit of a one catholic family ,with further support for parish activities though the ministries and improvement of the current infrastructure

Enhance our collective effort at extinguishing the current loans

Create working groups to draw further talent from the parish to participate in the establishment of a plan for a capital campaign
